USER GUIDE

Overview

Finding a book that interests you can be time-consuming. With simple and straightforward ways to browse and such other tools as read-a-likes, reviews, award winners and themed booklists, you may find an answer to the age-old question: “What do I read next?” from this resource.

BROWSE GENRES

Start exploring books by popular genre

- **Select a Genre** by choosing one of the broad genres under “Fiction” or “Non-Fiction”, such as “Fantasy Fiction”

The screenshot shows the Gale Books and Authors interface. On the left, a 'SELECT A GENRE' menu is highlighted with a red box. It lists 'Fiction' and 'Non-Fiction' categories. Under 'Fiction', 'Fantasy fiction' is selected. A blue arrow points from the 'Fantasy fiction' dropdown to the search results. The search results show a list of books under the heading 'All Fantasy fiction genres'. Three book covers are visible: 'Circle of the Moon (Hunter, Faith)', 'The Priority of the Orange Tree (Novel) (2019)', and 'The Everlasting Rose (Novel) (2019)'. The page also shows a search bar, navigation links, and a 'Showing results 1 to 20 of 10966' indicator.

BROWSE GENRES (2)

- After selection a genre, a hyperlinked list of **Sub-genres** will be displayed, such as “Adventure”

The screenshot displays the Gale Books and Authors interface. On the left, the 'SELECT A GENRE' section shows 'Fantasy fiction' selected, with a dropdown menu expanded to show 'All Fantasy fiction genres'. A blue arrow points from the 'Adventure' sub-genre link to the book cover of 'Circle of the Moon' by Faith Hunter. The main content area shows search filters for 'Children', 'Young Adult', and 'Adult', and a list of search results including 'The Fall of Shannara', 'Beneath the Sugar Sky', and 'The Traitor's Game'.

The screenshot shows the Gale Books and Authors homepage for Hong Kong Public Libraries. At the top, it says "My Library: Hong Kong Public Libraries" and "Meet the Editors Change D". The main header features the GALE logo and the text "GALE BOOKS AND AUTHORS". Below this is a search bar with a dropdown menu set to "Title" and a search button. A red box highlights the "Advanced Search" link, with a blue arrow pointing down to the "Advanced Search" option in the "SEARCH OPTIONS" menu. The "Advanced Search" option is underlined, and "Author Search" is also visible. Below the menu, the "Advanced Search" page is shown, featuring three search rows. Each row has a text input field, an "And" dropdown menu, and a search field dropdown menu. The first row is set to search in "Title", the second in "Author", and the third in "Keyword". There is an "Add a Row +" button and a "Search" button at the bottom.
