'Toys around the world' is a great book for children. In this book, I've learnt about what toys that children play in Asia, Europe, Africa, America, etc.

In some poor African countries, children collect pebbles to play a game called Mancala. They usually play with natural things. In rich countries, children usually buy toys from toy shops like me.

Before I read this book, I thought children in poor countries are sad because they have no toys. But now I've learnt that they make simple toys and play happily too.

My favourite toy is soft toy because they are so soft and I can sleep with them.

If you want to know what Russian and Indian children play, you may get the answer from this book.

評語 :

老師，是一個可以全你終生感激或憎恨終  
 的角色。這十方的處理方法。幸好，作者過  
 的許多良師和啟蒙者，與作者有緣，她的老師替她爭取  
 升的對機會，與作者有緣，卻不告別。雖然她的老師如  
 患的嚴重腎衰竭，作者卻不告別。雖然她的老師如  
 妹的作者用嚴厲且慈愛的眼光和態度去對待作者。  
 全作者受鼓勵和嘉獎。他是我一年級的班主任。我的  
 蒙老師的力，害得我開朗和自信。黃老師，謝謝你！  
 候是位令我變得開朗和自信。黃老師，謝謝你！  
 動我問題，相信每個人都會遇上一些好老師。希望  
 各位能珍惜和報以感恩的心，希望
