Road to IELTS

Road to IELTS is an online preparation and practice resource for IELTS, the International English Language Testing System. It has two modules -

Academic

for users who want to study at university at undergraduate or postgraduate level or join a professional organisation in an English-speaking country.

General Training

for users who want to study at below degree level, work in or emigrate to an English-speaking country.

Each module of Road to IELTS is organized into four skill areas: Reading, Listening, Speaking and Writing. In each skill area, users can prepare effectively for their test by reading information about each paper, getting advice from IELTS experts on video, and practicing specific question types using the interactive practice exercises and the mock papers.
