TumbleBookLibrary is an interactive English database of animated e-books selected from well-established publishers of children books around the world. It contains animated talking storybooks, National Geographic videos, puzzles and games, as well as audio books in other foreign languages, which are suitable for children of all ages.

Story Books

- Animated story books that feature text highlighting along with audio narration
- Selection of children's favourite fairy tales such as The Paper Bag Princess and Jack and the Beanstalk

EBooks

- Full-length chapter books for independent reading
- Famous titles such as Tarzan of the Apes and Aladdin and the Magic Lamp

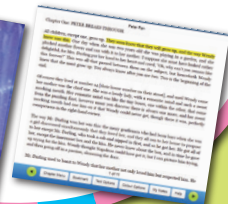

Graphic Novels

- Over 60 comics featuring children's favourite fictional characters like "The Hardy Boys", "The Smurfs", "Lego Ninjago" and "Geronimo Stilton"

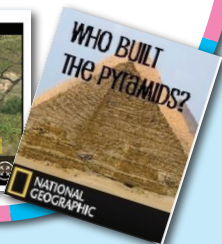

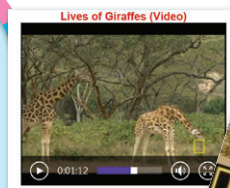

Read Alongs

- Selected titles of contemporary fiction, adventure fiction, mystery fiction, and children's classics like Anne of Green Gables and Peter Pan
- Chapter books that feature text highlighting along with audio narration

Videos

- Partnering with the National Geographic Channel to offer a wide range of informational videos covering wildlife profiles and exoplanet exploration
- Most videos are paired with e-books on relevant topics

Language Learning

- Featuring story books in Spanish, French and other world languages
- Many of the books have an English version

Non-Fiction

- Featuring both animated story books and longer length e-books
- Covering subjects like health, science, astronomy, biology and nature

Puzzles & Games

- Providing entertaining and educational activities based on children's favourite TumbleBooks
- Including puzzles, memory games, crosswords and match-the-sentence games
