Title: Birthday Beastie: all about counting

Author: Kirsten Hall

Comment: Very sincere and warm presentation on own feelings of the book.

Once upon a time, a boy called Danny who loved reading a book called Kit Hare, Kid Detective. His story is about Shugs Malloy.

One day, Danny went to school. His naughty friend Wicks always bullied to him for asking food. If he didn't give any food to him, he would twist his arm.

The next day, Mrs Morgan had some news for them. Anyone who wanted to be taken part a role in the school drama, then could come to the audition next Monday. This year, the name of the drama called Buddy Malone. Danny wanted to be Buddy Malone. But he knew he couldn't because he was clumsy.

The day after school, Danny found his uncle for help. It was because his uncle was an inventor. He wanted his uncle to help him invented something could make him cleverer.

Monday morning, Danny went to his uncle's garage and asked for his uncle's new product.

When Danny saw his new product, it was a drink that could make people cleverer. He

thought that it was amazing. He wanted to drink it quickly because the audition would be held very soon.

Before the audition started, the bottle looks down and he was really scared. When he started to present in the audition, he forgot all the words. All students laughed at him, but he heard someone encouraged him. Then, he insisted to continue playing the role again. As result, he performed and spoke fluently. When he finished, all students applauded on his performance by clapping their hands loudly.

This story is meaningful. It is because Danny was invited to finish his role on this show. When we encountered difficulty, we shouldn't be nervous. We should stay calm and face it bravely like Danny.

Title: Legendary Heroes

Author: Eva Wood

Comment: A concise book report.

This book is talking about two people who are legendary heroes. The first one is Mother Teresa. Mother Teresa was born in Skopje, Macedonia, in 1910. Her mother always taught her to love those people who were not as well off as she was. Therefore, when she was twelve, she started thinking that she would like to become a missionary in India when she grew up. She left her family and went to Dublin, Ireland, to learn English and be trained in religious life. After she had finished, she chose her name Teresa at the foot of the Himalayan Mountains and went to Calcutta to learn how to be a good teacher. While she was teaching in Calcutta, she first realised that many people were living on streets with no one to care for them. She wanted to help them. In 1948, she trained to be a nurse so that she would know how to help people who were ill. Then she started a school for the poor on the streets of Calcutta. She spent all her adult life time to care for people who were poor, ill, dying, unwanted, and unloved. She let those people feel love.

The second one is Muhammad Ali. He was born in 1942, in Louisville, Kentucky. He was a boxer. He first became known to the world at the Olympic Games in Rome in 1960, where he won a gold medal for boxing. He worked very hard to get to the top. He first learned to boxing when he was twelve years old. Some one had stolen his bicycle, and he was determined to find the person who has stolen it and fight them. By then he had already started to dream of being the heavy-weight boxing champion in the world.

This book is very meaningful. After reading this book, I have learnt a lot. The story of Mother Teresa taught me how to love. Many people who are poor, ill, dying, unwanted, and unloved. No one care about them. They really need our help. Therefore, from now on, I will try my best to help the people who are in need and continue the spirit of Mother Teresa to spread the message of love. Also, the story of Muhammad Ali taught me that once we have set up the target, we should make our great efforts to attend it and shouldn't give up easily.

書名：中學生的自我成長

作者：劉佩蓉

評語：文筆流暢，能抒發個人見解。

現今香港青少年問題日漸衍生：吸毒、少女援交、偷竊、輕生等，均被社會各界關注，而劉佩蓉筆下的這本書正正地反映着上述的問題，並且提出了關注問題的各種有效方法。

讀過這本書後，作為青少年的我，開始有了新的人生看法。書中的作者曾提及「人生是由我們主宰的。」人生的路遙方向是靠自己掌握和操縱，建立正確的人生觀是有賴所長對青少年身邊的不斷扶持和指引，然而青少年亦應多採納所長的建議，並加以分析和學習，才能真正向康莊的大道。

現時青少年的自殺問題日益嚴重，報章上不時報導一些青少年因不能承受學業和工作的壓力而採取自殺以結束生命，以為這樣做是解決問題的唯一方法，但是他們又何曾想及其親人的感受呢？也許這是有私和不理智的行為。在遇到困難時，青少年應以正面的態度和理智的頭腦去面對，不能因一時衝動而使自己的生命損失，因此建立個人的自信是那非常需要的。

書名：毛毛不怕孤獨

作者：Trace Moroney

評語：圖畫加上文字，道出心裏的感受，真摯而感人。

這本書的書名是《不一樣的節日》，顧名思義，它的內容就是介紹不同地方的不同節日。在每個節日背後，也有一個故事。有些是緊張刺激的，有些是悲傷淒慘的，有些是感人肺腑的。

而我最喜歡的節日就是「苗族蘆笙節」。因為這節日的由來實在是太感人了！它說兩姊妹住在深山裡，姐姐長得貌美如花，若似天仙，因此被山妖捉走。妹妹傷心極了。有一天，妹妹發現蘆笙（笛子）可以趕走山妖的士兵，為了救姐姐，妹妹不停的吹笛。可是，吹呀吹，吹呀吹，妹妹愈吹愈累，「山妖士兵」還沒走。過了一會兒，「山妖士兵」走了，但妹妹已化為高山了！不過，她也沒有白白犧牲，最後也能救回姐姐。

我覺得妹妹奮不顧身救姐姐的行為令人感動，妹妹可以為了姐姐而犧牲性命，證明了她視親情為重要。我認為她捨己救人的行為是很偉大的！如果你是妹妹，你會這樣做嗎？

書名：打破的古董

作者：杏林子

評語：文筆流暢，有個人見解。

這本書收集了二十多個由杏林子著作的故事，其中令我最深刻的是「三毛錢的童年」。

這個故事是由一個三毛錢帶出杏林子的童年生活。她每星期只有三毛錢作零用錢，以當時的人民生活，不是很多，又不是很少。不過基本上她兒時的所玩遊戲的玩具都是她自己做的，例如：風箏、燈籠、洋娃娃等。另外，她還會跟一些小鄰居一起演戲，自得其樂。她亦借她童年的生活跟現今的孩子作比較，慨嘆現今的小孩子「身在福中不知福」。

這個故事讓我明白到縱使生活清貧，只要知足，便會快樂。杏林子的童年時代生活清貧，父母給她的零用錢不多，可是她的童年生活過得挺快樂的。她沒有電動玩具，沒有小鋼珠玩，不過她懂得物盡其用，她利用母親裁衣服剩下的碎布把它們剪剪縫縫，填些棉花，畫上眉眼就是隻洋娃娃，反觀現今的小孩子又怎會像她自己做玩具，全都是用錢買回來。

這故事亦都帶出一個訊息，零用錢的多少並不重要。當中要懂得分配和理財，要知道孩子物資生活太多，是否代表幸福呢？作為孩子要懂得「身在福中要知福」，作為家長過份給予是否就是「愛」呢？作者給了我們一個好好反思的機會。
