書籍名稱：十萬個中國不知道

作者：關美琮

評判的話：

文字雖略嫌不通順，但脈絡清晰，尤其善舉例子，清楚說明此書吸引之處。

這本書的名字是十萬個中國不知道。它是關於中國的傳統節日和習俗的。它一共有十七個小標題，全都是對中國節日作出的題問。

這本書的題問大部份也是我們感到疑惑的東西，比如說：為什麼要過農曆新年？清明節要掃墓又是甚麼回事？這些常見的問題，此書也解釋得清清楚楚，令人恍然大悟。

以前，我一直不知道為何要取得壓歲錢。看了這本書，我明白到傳說中壓歲錢能趕走除夕出現的妖魔鬼怪，使我有點半信半疑。我不明白「福」字揮春幹嗎要倒轉貼，它就說：福倒了和福到了聽起來差不多，大家認為這是大吉利之兆。小時候，我聽說端午節要吃糉子是因為屈原，此書卻告訴我，最初人們是為了避厄運才這樣做的！

我覺得十萬個中國不知道真像一本百科全書，你想知道甚麼，它便給你甚麼。它的用詞頗為生動有趣，插圖既豐富又可愛，不時還有一些古人畫的圖畫供我們欣賞。它極富教育意

Comment :

This is a well-organized book report. Also, it gazes thoughtfully into the meanings of the story behind.

Harry Potter and the Prisoner of Azkaban is the third book of the set of Harry Potter which was written by J.K. Rowling. It is about a boy, Harry Potter, who was 13 and a secondary 3 student in a magic school. He experienced hard tasks in past two years and he had to overcome another task. That is the person who killed Harry's parents escaped from the only prison in the magic world. Harry would be in danger because that person decided to kill Harry. However, the fact was not like that. There was a secret behind it. What was it? You may find the answer in this book.

In my opinion, The book, Harry Potter, is neither easy nor difficult to read indeed. I spent about half a month to finish it. I think the words are really useful and I learnt a lot in the process of reading it. For example, some verbs to describe a feeling instead of adverbs, like "snarl" means shout loudly and angrily. I found a funny verb as well. It is "murmur" which means say softly or tell somebody a secret. I had some difficulties when reading it. There are many special phrases and nouns that we cannot find in the dictionary. Therefore, I suggest you searching information on the Internet.

Moreover, I think Harry Potter is an extremely brave boy as he never gave up no matter how hard the situation was. I will never forget his confidence, bravery and also his friends' support to make him successful and defeat darkness finally.

The most touching parts are the last few chapters. Harry could not escape from the doom of death that he would be defeated by the monster. At the same time, because of his mother and father's mighty love, Harry was protected. I have a feeling that all parents love their children, their love will stay in our heart forever.

I think most of you will find this book interesting. I strongly recommend this book to you.

Today, I will introduce a very famous story to you. This story is called "Little Women". It talks about four little girls who work hard while their father is away during a war. Meg, the eldest, had to teach. Jo has to read to a bad-tempered old man everyday. Beth helps at home with the housework but she can not play with his favorite piano. Amy, the youngest, must go to school. Life is hard, but the girls still have time for fun. They enjoy dancing and going to parties, even if they are too poor to buy new dresses. They act in plays at Christmas, and when it is cold, they go ice-skating on the river. All the things change when Jo meets Laurie, the grandson of the rich old man who lives next door.

The girls all learn something and grow up a little while their father is away. After that, their father got ill in his working place and Jo even sold her beautiful long hair for her father. At last, their father comes home and they can live happily everyday.

After I have read this book, I learned that the most precious thing in the world is our family, but not our wealth. And I realize that if we look at the bright side of things, then our lives will become more colourful. That's all of my sharing. Thank you!
