**LINKING Trade and Gender towards sustainable Development : an Analytical and Policy Framework.
New York ; Geneva : United Nations, 2023, c2022.**

**UN
331.40972
LIN**

The publication explains the reciprocal relations between trade and gender in various perspectives regarding different roles and categories, and how the issues of gender inequality in making trade policies will negatively affect the economic outcomes. It also observes the current situation where gender becomes a more important consideration factor in economic environment and offer advice for further improvement.

**ONE Year of War in Ukraine : Assessing the Impact on Global Trade and Development.
Geneva : World Trade Organization, c2023.**

**GATT
337.477
ONE**

The publication examines the economic destruction brought by the war in Ukraine and focuses on the impacts on countries relied on imports from Ukraine and Russia. It concludes that the actual impacts are less severe than expected due to resilient multilateral trading system and advocates that the systems should boost the flexibility and reduce dependance of import supply among countries to stay healthy.

THE OUTLOOK for the UNECE Forest Sector in a Changing Climate : a contribution to the Forest Sector Outlook Study 2020-2040.

Geneva : United Nations ; Food and Agriculture Organization of the United Nations, c2022.

**UN
634.92094
OUT**

The report makes an overall analysis on specific policies for UNECE regions to take place on their forest sector, supporting with ample researches and findings regarding the possible issues and scenarios that may be encountered. It acts as a reference guide for policy makers to consider their future approach through pragmatic, transparent and objective viewpoints on policies' effectiveness and long-term consequences.

PROTECTING Minority Rights : a Practical Guide to Developing Comprehensive Anti-Discrimination Legislation.

New York ; Geneva : United Nations, c2023.

**UN
305.8
PRO**

The publication illustrates the universal standard on the rights to equality and non-discrimination, and guides the law makers in States to introduce responding legislation. It consists of multiple practical examples on laws and policies to develop anti-discrimination obligations and protection on minority rights in the legal systems.

SMART Sustainable Cities Profile : Tbilisi, Georgia.

New York ; Geneva : United Nations, c2023.

**UN
307.76095795
SMA**

The publication evaluates Tbilisi performance with calculation of key indicators of smart sustainable cities. It raises proposals for the city to achieve the Sustainable Development Goals set by United Nations in its 2030 Agenda. Also, it presents essential examples for Grodno to develop, review and implement their urban strategies and plans as well as construction on partnerships with involving parties.
