Geneva : United Nations, 2024.**

**UN
338.927
SUS**

This publication serves as an assessment report to conclude the 2024 SDG progress in UNECE region and presented in regional level. It categorises the goals in achievable pace and others requires improvement with notable disturbance and affecting factors. It also provides concrete cases to show the progress and difficulties in the region.

**THE UNCTAD model law on competition after 30 years : some reflections.
Geneva : United Nations, 2024.**

**UN
343.0721
UNI**

UNCTAD invents Modal Law of Competition which illustrates frameworks of competition legislation for member states, especially developing countries with less experience in this topic, to defend their interests against anti-competitive behaviours. This publication reviews the competition laws and legal policies around the world in previous years and further studies the crucial elements in law-making from their origins and amendments. The introduction of UNCTAD Modal Law and its examinations under current economic trends are also discussed.

**VILAR-COMPTE, Mireya and Manuela Villar Uribe.
