Highlights of New Additions to Depository & Special Collections of International Organizations

Author, Title and Publishing Information Call No.

**20 YEARS of the Information Technology Agreement : boosting trade, innovation and digital connectivity.
Geneva : World Trade Organization, c2017.**

**GATT
343.056
TWE**

Analyses the impact of the Information Technology Agreement (ITA) on its participants and on worldwide trade in IT products. ITA made high-tech products more affordable and also helped to promote innovation and to support developing economies' integration into global production networks.

**GUIDANCE on core indicators for entity reporting on contribution towards implementation of the Sustainable Development Goals.
Geneva : United Nations, c2019.**

**UN
338.91
GUI**

Provides an overview of the ways that international labour mobility is measured. It recommends principles of best practice for measuring international labour mobility, and proposes areas for future development.

MAINSTREAMING trade to attain the Sustainable Development Goals. Geneva : World Trade Organization, c2018.

**GATT
338.927
MAI**

Identifies steps that would help to ensure that international trade contributes to accelerating progress in achieving the sustainable development goals such as trade costs reduction.

TECHNOLOGICAL innovation, supply chain trade, and workers in a globalized world : global value chains development report 2019.

**GATT
382
TEC**

Geneva : World Trade Organization, [2019], c2019.

Evaluates the current trends in global value chains and examines how recent developments such as robotics, big data and the internet of things may impact workers around the world.

TRADE and poverty reduction : new evidence of impacts in developing countries.

Geneva : World Trade Organization; [Washington, DC] : World Bank Group, c2018.

**GATT
339.46
TRA**

Examines the challenges the poor face in benefiting from trade opportunities. It presents case studies in African countries and addresses the constraints faced by the poor such as living in fragile and conflict-affected regions and facing gender inequality.
