**KENYA : eTrade Readiness Assessment.
New York ; Geneva : United Nations, c2022.**

**UN
381.142096762
KEN**

This report conducts assessments on Kenya's development on national digital economy facilitated by government reforms on related infrastructure and network, as well as several challenges on the e-commerce ecosystem due to restrictions by industry laws and compliance and the deficit of technology and labour skills in markets. It also recommends measures to promote eTrade environment and overcome challenges in Kenya.

**TRADE Finance in West Africa : a Study of Côte d'Ivoire, Ghana, Nigeria, and Senegal.
Geneva : World Trade Organization;
International Finance Corporation, c2022.**

**GATT
382.0966
TRA**

In this report, WTO and IFC have processed researches on examining participation and competitiveness of the four largest economies in West Africa. Considering the benefits of further access to international trade for the national progress in the region, the report highly encourages the nations to liberate their market potential through national policy on availability improvement and cost reduction on cross-border commerce.

**TRADE Therapy : Deepening Cooperation to Strengthen Pandemic Defenses.
Washington, DC : World Bank Group, c2022.**

**GATT
338.47610
TRA**

Restrictions on trade and supply chain of medical goods and services constrain the patients from obtaining appropriate therapy, and this may cause enormous public health crisis during the global pandemic. This report overviews the trade of medical sector and analyses the policies in regions to suggest ways of strengthening global market links and reducing costs.

**VOLUNTARY Peer Review of Consumer Protection Law and Policy of Thailand.
New York ; Geneva : United Nations, c2022.**

**UN
343.7309593
VOL**

A group of Consumer Protection Law and Policy experts are assembled by United Nations and cooperates with the national consumer protection authority in Thailand to illustrate this professional and independent review on their effectiveness and limitations in the region. The review also serves as a reference guide for reforming the current national strategies in the consumer market.
