Author, Title and Publishing Information

Call No.

CLIMATE change impacts and adaptation for coastal transport infrastructure : a compilation of policies and practices. New York ; Geneva : United Nations, c2020.

**UN
388
CLI**

Provides a brief overview of climate change impacts on coastal transportation, and of recent trends and projections regarding some key climate drivers of relevance to coastal zones, as well as of approaches to risk-assessment and adaptation.

GUIDELINES for the formalization of informal constructions. Geneva : United Nations, c2019.

**UN
363.5561
GUI**

Explains how to structure a programme for the formalization of informal constructions. It describes the preparatory work that needed to analyze problem magnitude, as well as how to find political acceptance, identify post-formalization factors, and identify the root problems that cause future informality.

STRENGTHENING the capacity of Central Asian countries to develop sustainable urban mobility policy on car sharing and carpooling initiatives.

New York ; Geneva : United Nations, c2020.

**UN
388.0958
STR**

Provides a brief history of the emergence and development of shared mobility services. It studies car sharing and carpooling in different countries. It also offers guidelines and recommendations that may facilitate the transition in Central Asia to modern forms of sustainable urban mobility.

**TRADE impacts of LDC graduation.
Geneva : World Trade Organization ;
Enhanced Integrated Framework, Trade
for LDC development, c2020.**

**GATT
337.1
TRA**

Studies the implications of graduation in terms of LDCs' participation in the multilateral trading system, market access opportunities and development assistance.

**WHITE paper : blockchain in trade facilitation.
Geneva : United Nations, c2020.**

**UN
382.1094
WHI**

Examines how Blockchain technology could be used to facilitate trade and related business processes.
