Britannica Collective

Britannica Collective provides non-fiction titles published by Britannica Educational Publishing, covering a broad spectrum of subjects such as Art & Literature, Mathematics, Science & Technology, Social Studies, History and Sports. Some e-books even provide teacher notes categorised by reading level, making them great for early learners to high school students, and suitable for parent-child reading. New books will be added to provide readers with more trusted materials. The e-books are mainly in English, with some in Spanish.

How to Search books

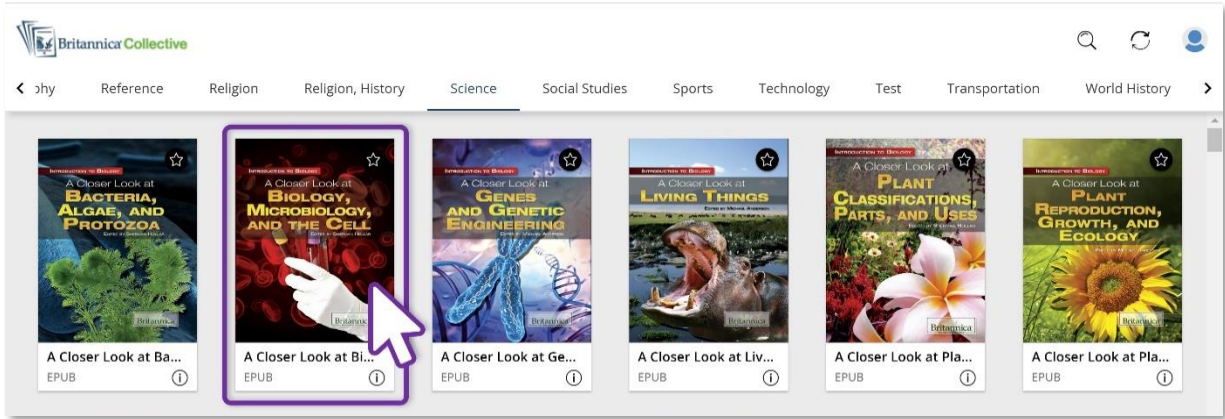

- 😊 Search by **Keywords** – type in keywords
- 😊 Browse by **Subject / Collection** from the menu, or
- 😊 Select **a title** you like

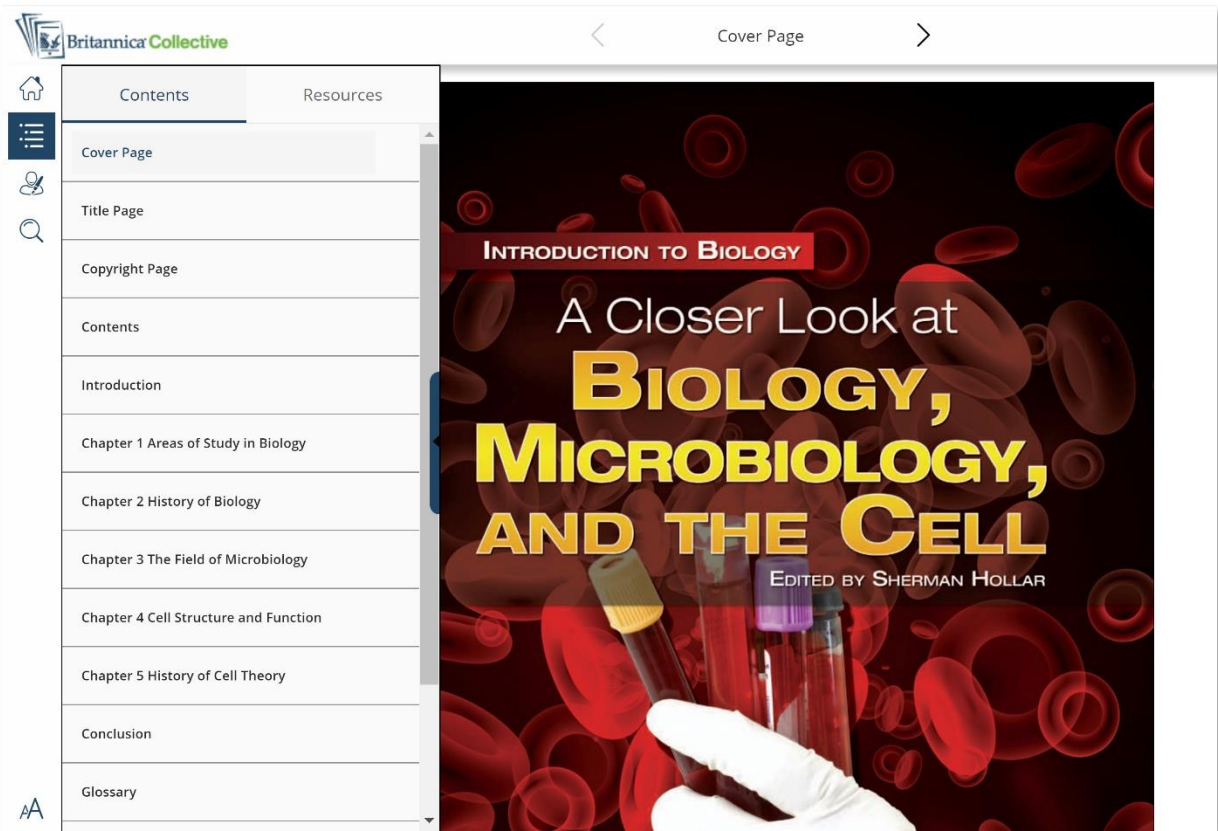

The screenshot shows the Britannica Collective website interface. At the top, there are two search options: "Browse by subject" (indicated by a pink arrow) and "Search by keywords" (indicated by a red arrow). Below these are navigation tabs for "All", "Recently Viewed", and "Favorite". A dropdown menu is open under "Browse by subject", showing categories like "American History", "Animals", "Arts", "Biographies", "Biology", "Biology, History", and "Civics and Governm...". Below the navigation, there are two rows of book covers. The first row is under the "Science (126)" category and includes titles like "A Closer Look at Bacteria, Algae, and Protozoa", "A Closer Look at Biology, Microbiology, and the Cell", "A Closer Look at Genes and Genetic Engineering", "A Closer Look at Living Things", "A Closer Look at Plant Classifications, Parts, and Uses", and "A Closer Look at Plant Reproduction, Growth, and Ecology". The second row is under the "Social Studies (21)" category and includes titles like "Look on the Bright Side", "Look on the Bright Side", "Problem Solving", "Problem Solving", "READING MAPS", and "READING MAPS".
