## User Guide ~ Naxos Music Library & Naxos Music Library Jazz

### Naxos Music Library (NML)

- It is a highly resourceful online music database which includes complete catalogues or selected recordings of labels such as BIS, Chandos, Dacapo, Marco Polo, Naxos, Sony Classical, Warner Classics ...etc.
- Music genres covered include blues legends, Chinese music, classical music, contemporary instrumental, contemporary jazz, folk legends, gospel legends, jazz legends, nostalgia music, , pop and rock, world ... etc.
- Junior section for children's learning through music, e.g. 'Story of Classical music', 'Meet the Instruments of the Orchestra!' and music resources in Australia, Ireland, Korea, North America (Ontario) and United Kingdom.
- Artists and composers' biographies, dictionary, glossary of musical terms, work analyses, operas' libretti and synopses, and other useful text resources are available besides music streaming.

### Naxos Music Library Jazz (NMLJ)

- One of the most comprehensive online libraries on jazz music around the globe, which offers a large selection of classic and contemporary jazz music albums released by the world's famous jazz labels as well as the works by jazz artists and composers through different ages.
- It covers a wide range of music genres, such as "Blues", "Contemporary jazz", "Contemporary instrumental", "Nostalgia" and "Pop and Rock".

- Browser requirement: Internet Explorer 9.0+, Firefox 21.0+, Safari 5+, Chrome 31.0
- HTML5 is the default player for NML and NMLJ.

### 1. KEYWORD SEARCH

- Enter the keywords in the search box e.g. album, work title, name of artist, composer, and click Search

### 2. BROWSING

- Recent Additions and Featured Additions – click titles or albums newly added by both Naxos Music databases.
- Click the navigator bar at the top and browse an alphabetical listing of CDs by artist, composer, genre, or label.

### 3. Advanced Search

- Click Advanced Search. Enter keywords into the fields such as ‘country’, ‘instrument’, ‘performing group’ on the page and click Search.
- The magnifying glass next to the box provides a drop-down alphabetical listings for desired terms. Select the item you want and click Search.

The screenshot displays the Naxos Music Library website interface, divided into three numbered sections:

- Section 1:** Shows the top navigation bar with a search box labeled 'Keyword Search' and a 'Search' button. The search box contains the placeholder text 'Enter keyword, album/work title, composer/artist/label name etc.'.
- Section 2:** Shows the main content area with a 'July Featured Playlist' banner for 'Breathe Free' and a 'Recent Additions' list. The list includes titles like 'DUPRAT, Rogério: Brazilian Suite (The)', 'ENZLBERGER, Hannes / BERGHAMMER, Thomas / LECHNER, Otto: Tango 1-8', and 'LARRY WILLIS TRIO: Just in Time'.
- Section 3:** Shows the 'Advanced Search' page with various search filters. The 'Advanced Search' tab is selected. Fields include 'Composer / Arranger / Lyricist', 'Genre and Music Categories', 'Country', 'Artist (Soloist / Conductor)', 'Instrument', 'Year Composed', 'Performing Group (Choir / Ensemble / Orchestra)', 'Period', 'Title', and 'Label'. A 'Search' button is at the bottom.
