

由2011年3月至11月期間，香港公共圖書館將舉行「與作家會面」系列。是次「與作家會面」將以「香港事·香港情」為主題，並分為「這些人·那些事——香江記憶」、「那麼遠·這麼近——東方之珠望後鏡」以及「這些物·那些情——香港文化拼圖」三個系列。二十位本地作家——著有與香港歷史、香港故事相關的作品，將在不同的公共圖書館，與年青人走進香港歷史的時光隧道，從歷史、文化和社會角度，分享他們的看法。有關報名詳情，請參閱各間公共圖書館張貼的海報或瀏覽<http://www.hkpl.gov.hk>。

From March to November 2011, Hong Kong Public Libraries will hold a series of "Meet - the - Authors" Sessions. The theme of the series this year is "Stories of Hong Kong, Affection for Hong Kong", which focuses on three different sub-topics, namely, "People and Events - Hong Kong Memories", "Remoteness and Nearness - Hong Kong History" and "Artifacts and Emotions - Hong Kong Culture". Twenty local writers/celebrities, who had authored books on local history and stories of Hong Kong, are invited to speak at different libraries. Walking through the time passage of Hong Kong history with readers, they will share their unique observations and interpretations from historical, cultural and social perspectives. For details of admission, please refer to the poster at each public library or browse the Public Libraries homepage <http://www.hkpl.gov.hk>

Title: Night of the New Magicians

Author: Mary Pope Osborne

Comment: A book report brings out the encouraging famous quotes.

This is another fascinating and enlightening book in the Magic Tree House series written by my favourite writer, Mary Pope Osborne. This time, Merlin sent Jack and Annie to the 1889 Paris World's Fair where they met the famous inventors, Thomas Alva Edison and Alexander Graham Bell. Thomas Edison was the one who, after years of work and thousands of experiments, invented the incandescent lightbulb. His famous quote, "Genius is one percent inspiration and ninety-nine percent perspiration," reminds us of the importance of hard work. Alexander Bell was the one who invented the telephone. His famous saying, "When one door closes another door opens. But we so often look so long and so regretfully upon the closed door, that we do not see the ones which open for us," is also very encouraging. Jack and Annie also met the famous Louis Pasteur who created the "pasteurization" process and the famous engineer Gustave Eiffel at the fair. It was such an unforgettable experience for them and the readers!

書名: 提燈女神——南丁格爾

作者: 吳志堅

評語: 內容充實, 文筆通順。

「提燈女神」, 這個稱號相信你也聽過, 但她的故事你了解嗎? 在《提燈女神——南丁格爾》這本書中, 你一定可以徹底地了解她。
南丁格爾於1820年出生, 受過良好的正規教育。但她卻毅然放棄過優渥生活的日子, 立志投身當時只有最後層級女校畢業生才擔任的護理工作。在1854年, 克里米亞戰爭爆發, 南丁格爾帶著38名護士, 深入前線, 看護傷兵。南丁格爾亦非常重視護理教育, 出版了一本護理學記, 並建立護士學校。後人為了紀念南丁格爾對護理行業的重獻, 便把每年5月12日定為國際護士節。
當我看過這本書後, 我深深被南丁格爾為我們的學習榜樣。
首先, 她那顆捨己為人的心感動了我。南丁格爾寧願放棄優渥的生活, 走到前線, 當時她從事繁瑣的護理工作; 第二, 她堅持目標的精神。她沒有理會父母的反對, 她堅信護理工作是有意義的, 所以從來沒有放棄理想, 等待成功的一天; 第三, 她不怕艱苦的精神。南丁格爾願意每晚到軍營探訪受傷的士兵, 即使她生病了, 也會堅持下去。
從這本書中, 我明白了一些道理: 世上無難事, 只怕有心人; 「只要心通心, 鐵杵磨成針」等。我亦會學習她那種愛高無比的情操。
總而言之, 這是一本值得一看的好書, 尤其是缺乏毅力的青少年, 他們應向南丁格爾好好學習。

書名: 八仙嶺山火後再生記

作者: 張潤衡

評語: 內容充實, 切合主題。

雖然八仙嶺山火發生的時候我只有一歲, 對這場山火甚麼都不認識, 只聽說過它的名字, 但我看完這本書後, 我卻感同身受, 體會到作者那時的悲痛。雖然活過來了, 但竟殘廢和身體殘缺, 但他卻堅持到底, 接受治療。他並沒有放棄自己, 並且克服了自己身體的殘缺, 努力完成自己的夢想, 還和朋友組成了樂隊到不同的機構表演。最後他可以跳出八仙嶺的陰霾, 重新登上了一個令他人生劇變的山, 他真是我們的榜樣, 十分值得我們學習。當我將來遇到挫折時, 我會想起作者所遇到的挫折是那麼大, 而我的比起來就像雞毛蒜皮的事, 我就能克服所有的困難, 希望作者也能繼續用樂觀的心態來面對人生。

莫曉欣 (TKO-05342)

書名：窮小子・傑青醫生・我的成長剪影

作者：林順潮

評語：內容豐富，脈絡分明，認真反思。

Do you know who is Princess Diana? Diana Spencer, who was the princess of Wales, died in a car accident when she was only thirty-six years old. Although her life was short, she was a 'fairy-tale princess' and a 'Queen of Hearts' among British.

It was unusual that a Royal would engage in doing charity work very often. However, Princess Diana always helped the people who were in need. I really admire her and agreed with her that it is important to show love. I learn from her that I should care more about others and share happiness with them since helping people makes us feel pleased.

The experiences of Princess Diana also told me that my future is in my hand. In spite of the broken marriage with Prince Charles, Diana had made a new life for herself. Sometimes we feel unhappy due to the fact that we haven't try to view things from different angles. Nonetheless, we will realize that we are not so vulnerable as we thought if we calm down. As a result, we need to think brightly as Princess Diana did.

In addition, the book gave me a reflection on the meaning of living. Princess Diana had a short but full life. She reminded me to cherish what I have since bad things happen all of a sudden. We particularly should treasure the relationships with our families.

On the whole, I think the book is inspiring and it tells the story of Princess Diana concisely. Even though the story is not chronological, the plot is easy to follow. It is definitely worth our while reading the life story of Princess Diana.

After reading this book, I am sure that you will think Diana was a remarkable princess!
